

PARSUN

40 HP OUTBOARD MOTORS

40HP EFI

Its single overhead camshaft (SOHC) and 3-cylinder with six valves aim for maximum power and efficiency, which can generate more torque and horsepower in a short period of time, while ensuring acceleration performance. PARSUN 40 HP EFI outboard motors are powerful, reliable, and easy to operate. With a balance of performance and price, the 40 HP are the first choice for family water recreation.

Series	F40
Specifications	
Models	F40BES-D-EFI F40BEL-D-EFI F40BES-T-EFI F40BEL-T-EFI F40FES-T-EFI F40FEL-T-EFI
Max. Output Power (HP/KW)	40HP (29.4kW)
Transom Height(in.)	15/20
Engine Type	L3SOHC
Displacement(cc)	747
Bore×Stroke(mm)	65.0*75.0
Ignition System	T.C.I
Fuel Induction System	EFI
Max.RPM Range(r/min)	5000-6000
Idling RPM Range(r/min)	850-950
Steering System	Tiller/Remote Control
Starting System	Electric/Manual
Gear Shift	F-N-R
Gear Ratio	2
Trim and Tilt System	Gas-assist/Electric
Fuel Tank Capacity(L)	24
Max. Fuel Consumption(L/h)	13.8
Engine Oil Capacity (L)	1.7
Gear Oil Capacity(cc)	430
Rectifier Charging Capacity	12V,25A
Propeller (in.)	3-113/8"x12" or 3-111/8"x13"
Weight(kg)	99.9-103

Professional, reliable, durable, for commercial use

Taking full account of commercial operating conditions, a new control system is designed for high-intensity use, which increases the stability and service life of the engine. High-strength engine support system increases engine durability. The tiller handle is popular to fishermen.

EFI provides less emission and low fuel consumption

The electronic fuel injection system provides the engine with accurate fuel-gas mixture ratio which reduces fuel consumption.

Pleasant driving experience

The optional remote control system is equipped with an intelligent display instrument panel to provide the information you need, such as engine temperature, oil volume, fault alarm and other engine operating parameters.

Multi-function tiller handle

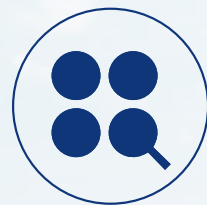

The handle functions are similar to the remote control box. It includes: Engine ignition switch, Emergency stop switch, Power tilt & trim switch, Throttle friction adjuster, Shift lever, Throttle control grip, LED warning indicators, and Warning buzzer.
