

PARSUN

130HP EFI OUTBOARD MOTORS

130HP EFI

As a high-power four-stroke outboard motor, the F130 is suitable for larger boats, taking you further afield with more surging power. The remote control system with electric start and electric tilt & trim allows you to enjoy a carefree boating experience. Whether you're fishing, cruising with the family, or participating in another exciting water-related hobby, this is the best and most reliable choice for you.

Compact and Efficient Power Head

This is an integrated, compact and efficient powerhead. The multi-point electronic fuel injection system with ECU control unit provides precise fuel to gas mixture ratio for optimal power performance and fuel economy.

Superb Corrosion Resistance

The F130 has excellent seawater protection performance. The corrosion resistance and reliability of the machine are fully guaranteed by using the low copper alloy materials verified by Parsun and advanced anti-corrosion coating technology,using more stainless steel components and optimizing anode protection, combined with the fresh water flushing system.

Left-rotation Propeller

Left-rotation propeller technology allows for better directional control and optimal power performance in multi-engine applications on one boat, because it can efficiently avoid the loss of speed caused by the water churning interference of the propeller.

Series	F130
Specifications	
Models	F130FEL-T-EFI F130FEX-T-EFI F130FEL-T-EFI-L F130FEX-T-EFI-L
Max. Output Power (HP/KW)	130HP (95.6KW)
Transom Height(in.)	20/25
Engine Type	L4 DOHC
Displacement(cc)	1832
Bore×Stroke(mm)	81.0×88.9
Ignition System	TCI
Fuel Induction System	EFI
Max.RPM Range(r/min)	5300~6300
Idling RPM Range(r/min)	800~900
Steering System	Remote Control
Starting System	Electrical Starting
Gear Shift	F-N-R
Gear Ratio	2.15
Trim and Tilt System	Electric
Fuel Tank Capacity(L)	/
Max. Fuel Consumption(L/h)	44
Engine Oil Capacity (L)	3.0
Gear Oil Capacity(cc)	760
Rectifier Charging Capacity	12V,27A
Propeller (in.)	3-13¼"x17" or 3-13½"x15"
Weight(kg)	181/185

Extral Long Shaft

Power Tilt&Trim Switch

Multi-function Display
Touch Panel
