60 HP OUTBOARD MOTORS

60 HP OUTBOARD MOTORS

60 HP Outboard Motor (two-stroke)

As high-power two-stroke outboard engines, they are powerful with excellent acceleration, allowing you to fully experience the fun of water surfing. This series of outboards is the best choice, whether it is for personal fishing or family boat trips, or for commercial use as a work boat.

Powerful

Due to its light weight, and simple structure, the two-stroke outboard has an excellent weight ratio, which also gives it higher acceleration, flexibility and surging power.

Shallow water drive

Tilt & trim device with shallow water drive, an extremely useful feature when tackling rivers,estuaries and creeks.

Safe

Safety lanyard with emergency shut off for all Parsun outboard motors.

Stable

Simple structure, stable performance, no need to worry about anchoring halfway.

Endurable

The selection of high-quality crankshaft, gearbox, high grade marine aluminum alloy enhances the durability of the engine.
